Financial Tips for Women

Please join us for May's Program Night: A financial seminar geared specifically towards women and their concerns.

Ask yourself, "What am I most concerned about?"

Being prepared for the "if's" in life:

-What if I become sick and cannot work?

-What if I or someone I depend on dies?

-What if I get divorced?

-What happens to my business if I am out of the picture?

-What if I need long term care later in life?

-How can I be sure my assets are protected in the event there is an accident?

Looking at a comfortable retirement where I won't run out of money. Have I saved enough?

Looking at education needs of family? Have I saved enough?

Courtney Havlik of COUNTRY Financial will be sharing some wonderful financial tips for women with us.

Snacks and refreshments will be served.

Feel free to invite your friends and family who would like to check out Mothers & More - Oswego.
